No substantial part of the activities of the Coalition shall be the carrying on of propaganda, or otherwise attempting to influence legislation, and the Coalition shall not participate in, or intervene in (including the publishing or distribution of statements) any political campaign on behalf of or in opposition to any candidate for public office.

Article IV. Membership

The Coalition consists of membership from any four-year state, public-funded and controlled university with student enrollments of approximately 10,000 or greater. Membership also includes any state systems administrations of such schools.
