## What is COSUAA?

The Coalition of State University Aid Administrators, Inc. is an affiliation of chief financial aid professionals that encourages access to public higher education and the professional development of its members. As a nonprofit, tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code, COSUAA is organized to educate, share ideas, assist member institutions in promoting and developing effective financial aid programs, and promote the professional preparation and effectiveness of its members.

- **Membership** is by institution and consists of the chief student aid administrator from any four-year state, public-funded and controlled university with student enrollments of approximately 10,000 or greater. Membership also includes any state systems administrations of such schools.
- **Annual Meetings** are held in the spring of each year to further the good of financial aid for students attending large public universities. The meetings provide a forum for discussion of student aid issues with a goal of supporting members in resolving operational problems and strengthening the administration of student aid at member institutions.
- **Advocacy** is promoted by providing input to the shaping of national student aid administration and improvement of student programs at U.S. Department of Education Negotiated Rule Making and at other similar or related Department activities.
- **Member Services** include on-line informative discussions relevant to large public four-year institutions on policy issues or proposed legislation. The Coalition offers its members ongoing communications mainly through the COSUAA listserv, the COSUAA website, and with its annual meetings.

## **Article III. Activities**
